OSCAR W. DESLATE, Assistant Manager, Truck Sales, Bolton Ford Company, 1483 North Claiborne Avenue, advised that he recalled two men coming to Bolton Ford on January 20, 1961. He remembered the date and following information as he had in his possession a bid for purchase form made out to Friends of Democratic Cuba, 402 St. Charles Avenue, New Orleans, Louisiana, (Telephone Number JA 5-0763).

He said a Mr. JOSEPH MOORE, whose description he cannot remember, nor can he furnish any other identifying data regarding him, advised him that he and his friend, were representing the above organization and wished to purchase ten Ford Econoline Trucks. DESLATE said MOORE listed the equipment he desired on the trucks, but he did not state whether they were for use here in the United States or were to be sent to Cuba. DESLATE quoted him the price and advised that he would make a \$75 profit on each truck. MOORE said that he thought they should get the trucks for no profit for his organization. MOORE then told him that he should change the name on the bid form from MOORE to OSWALD, no first name given. The individual with MOORE then said that was his name and it should go on the form as he was the man with the money and would pay for the trucks, if they were purchased.

DESLATE was exhibited a photograph of LEE HARVEY OSWALD and he said he cannot recall ever having seen him before nor could he say this was the individual who had come in with MOORE. DESLATE said he could neither describe nor identify either of the men who came in as it was almost three years ago that they were there and only spent a short time with him. He said he remembered this incident, not by the name OSWALD, but because of the name of the organization represented.

DESLATE said that he, himself, filled out the above mentioned bid form completely and neither individual either handled it or signed it. He said that he made the original of this form available to them and retained a carbon copy of this form for his use, which he said he made available to the interviewing Agents.
